## Around the World Summer Recital 2011

### DANCE BASICS GOES AROUND THE WORLD

The Summer Recital features dances from different countries: Spain, Japan, India, Ireland, Africa, Morocco and the Philippines. Also showcased are dances that originated from the founding countries of ballet: Italy, France, Russia and the United States of America.

We Started Dance Basics with the vision of teaching young dancers the love for ballet and performance. Since opening the school in 2004, we have staged six recitals, "Toy Shop" in 2005, "Once upon a Princess" in 2006, "Summer Dance-off 2007", "Disney Princess" in 2008, "Summer Dance-off 2009" and last year we staged "Cirque the Ballet".

We are blessed to teach an amazing batch of students. We thank all our students' parents for trusting us to teach their children and to bring out their potential as dancers.

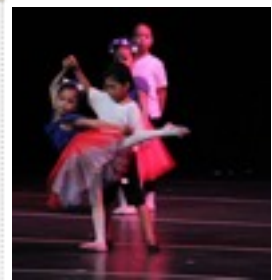

Dance Basics had a total of 51 participants for the Ballet Summer Workshop 2011, 3 of which are scholars from the Mano Amiga Academy

### DANCE BASICS SUPPORTS MANO AMIGA

Dance Basics supports Mano Amiga by giving regular classes during the school year. Dance Basics started teaching last year, and to date we have 15 regular students, 3 of which have been invited to join the Summer Recital 2011.

We would like to encourage our students from Kapitolyo to bring their old (but not torn down) ballet shoes, tights, leotards, ballet skirts etc. for the children. Together with this, we are starting the Teacher's Assistants programme for interested students from Ballet One and Two levels. As assistants, students help Dance Basics teachers handle the classes at Mano Amiga on Saturday mornings (two to four students only per session – scheduled). It is hoped that through this experience, our students' leadership skills would be developed and help them become more well-rounded individuals.
